Check-in Policy

Check-in time is 15.00 hotel time.
If you arrive early (until your room is ready) or if you wish to check out late, we would be delighted to accommodate you in the Regnum Lounge, which is equipped with showers and lockers. Certain room type requests may not be available prior to 15.00 hotel time. (Not guaranteed due to high volume of occupancy)

Check-out Policy

Check-out is at 12.00 noon. If you require room late check-out, please contact the reception before 10.00 on the day of your departure, we will do our best to accommodate your request. Extra charges may apply depending on the extended check-out time and availability.
Check-outs after 18.00 will be charged as one night's room fee. In case your room is unavailable for room late check-out, we will be pleased to accommodate you at Regnum Lounge, where locker and shower facilities are available for your convenience. After 15.00 on the check-out day, continued use of the hotel will be subject to a daily usage fee.

Early Check-in, Late Check-out Policy

Health - Safety - Environment

Hotel Safety & Security

Regnum Hotels are the first and only resort hotels in Turkey to have been awarded the Safehotels Executive Certificate, the highest degree of certification granted by Safehotels, a global hotel safety certification company that performs audits in 60 countries worldwide. Contents of Safehotels certification: Hotel Property and Guest Security / Process, Procedure, Training and Management / Security Equipment/ Fire Equipment / Fire Procedures and Training / Crisis Management

Hotel Hygiene

Regnum Hotels implements the Safe and Sustainable Hotels Health & Hygiene Risk Management program (the “SSHH Program”). Independent specialists perform periodic audits and formal reporting covering cleaning and disinfection practices, POSI (infectious-disease prevention) protocols, water and pool hygiene including Legionella risk management, staff training, and documentation control. The program follows international FTO/ABTA guidance, and compliant facilities are certified under the scheme.

Guest Rooms

Within the SSHH Program, guest rooms are audited for room-cleaning and disinfection standards, high-touch surface sanitation, allergen control, safe handling of linens, and housekeeping equipment hygiene. Nonconformities trigger corrective actions and follow-up until full compliance is achieved. Regnum Hotels are certified by the Potema bed cleaning system, the world’s only registered bed cleaning service.

Food Safety

We apply the ISO 22000 Food Safety management system in our facility where every process from the acceptance of food to its presentation is continuously monitored by the Food and Environmental Engineers in our company. Regnum Hotels have been audited at all stages from the acceptance to presentation of food products and has been certified by ISIS Turkey (International Inspection System).Contents of certification: Bars, kitchens, food production areas and food storage rooms, monthly checks and reports

Swimming Safety

Fully trained lifeguards are on duty at all times during red & yellow flags at the pool and beach

Wellbeing Spa Center & Gym-Kids Club Hygiene

Under the SSHH Program, Spa & Hammam, Fitness, and Kids Club areas are assessed for water and pool hygiene (including Legionella controls and laboratory verification), surface and equipment sanitation, toy/equipment safety and cleaning, POSI procedures, and staff competency. Areas meeting requirements are recorded and certified in line with program criteria.

Laundry Hygiene

Professional laundry service is provided on site. All hotel textiles and laundry are washed by our expert team by taking cross contamination measures. Diversey Clax Personril, a chemo - thermal disinfection product recommended by international authorities for hygienic washing, is used for laundry and for cleaning room textiles

Electric, Fuel & Power

The hotel operates on 220 volts and 50 hertz. In the event of disruption to the electricity supply, the hotel's total 5.750 KVA emergency generators will automatically operate, to ensure that all fire & life safety equipment will continue to operate. The fuel oil tank of the emergency generator can keep the generator running for 36 hours. Our facility generates a total of 6.519 MWt of electricity with a trigeneration system.

The Solar Power Plant (SPP) project generates approximately 20.000 MW of electricity annually.

Water

The distributed water complies with the World Health Organization standards for water. The hotel has at anytime a 2 days storage supply of water. The hotel has Water Safety certified by ISIS Turkey (International Safety Inspection System) Contents of certification: Pools, water storages, water system and Legionella monthly check and report

Emergency Care

Emergency ambulance service is available at Regnum Hotels 24 hours a day, seven days a week
